ANNOUNCEMENTS

Last Week: Thanks to Cindy Sevilla and Contra Costa Guide Dogs for the Blind training program for introducing us to the great work done by the hundreds of local volunteers who help turn bouncy puppies into well-trained companions for the blind. Puppy trainers spend 12 to 14 months getting their dogs used to being out and about, and in and under control. Then, the dogs are given another year or more of formal training at the CCGD training center.

From President-Elect Roger Dolan:

Roger asks each Club member to **attend one or more of a series of one-hour planning sessions** to be held at the Dolans' home in Martinez. **Rescheduled dates and times are as follows:**

The last meeting is Thursday afternoon, May 31, 4:30 to 5:30 PM at Union Bank on Mt. Diablo Blvd. Youth, International, RotaPlast, GSE, Matching Funds projects, etc. will be discussed.

Please arrive a few minutes early. We need to start on time and get everyone out by 5:30. The meetings should be fast paced. We need broad representation, so please try

to make it. Bring ideas if you have them, or come as a sounding board. You won't be conscripted just because you are there.
