**A new member from the community**

**New Member, Cristy DeVoe**, is going as a volunteer on the Rotoract trip to Vietnam.

**Gill Bordenave** had a nice article and picture featuring her as a 22-year Club president, and she was proudly wearing her Rotary pin so Pres Oscar didn’t charge him the usual recognition fee.

Thanks to Mitch Ambro and to Gill Bordenave for donating 49er and Cal football game tickets, that were acquired by Club members Dick Lane, John McClintic, and Carl Mann with nice donations to the Foundation.

**Randy Walker** inadvertently added “movie stuntman” to his list of credentials while unfortunately breaking two bones in his hand during a stampede into a building at a recent shoot. Randy’s cast has to be seen to be fully appreciated. As Randy puts it, he is now “well equipped” to operate the middle finger salute to fellow drivers on Nicasio Valley Road.

**Rod Uffindell** made a nice contribution to the Community Foundation in honor of his daughter’s wedding.

**Bruce Johnson** enjoyed a trip to NYC for his niece’s wedding, followed by a pleasure trip to London, and then a charity trip to Tijuana where he and his wife did volunteer work in a health care center for children.

Mark you calendars to attend the inaugural gala dinner celebrating the formation of the new “Paul Harris Society”. Members of the society will commit to donating $1,000 per year to the Rotary International foundation. This significant increase from the “Sustaining Membership” target of $100 per Rotarian per year recognizes that the tremendous increase in the cost of living that has occurred since the Sustaining Member program was introduced over 20 years ago. Members who are fortunate enough to have the financial resources to do so are encouraged to give serious consideration to making this increased level of commitment, to support the fabulous programs and activities funded through RI worldwide.

**Who Am I?**

Each week, this feature will provide some clues about the background of one of our Rotarians. The Members and guests are challenged to guess the name of the featured Rotarian. Answers will be provided in tiny print on the back page.

“Rotarian #1 says that his favorite Rotary activity is the fun and fellowship among the Club members at the weekly meetings. He loves to vacation in Lake Tahoe with his wife, kids, and grandkids, and is an avid racquetball player (2-3 times a week for 27 years). Besides being a past president of our Club, he also is a past-president of the American Association of Attorney-Certified Public Accountants and practices as a tax attorney. Who am I?”

“Rotarian #2 loves the Fishing in the City, Camp Venture, and Camp Royale programs where Rotarians work directly with kids in our community. He has served as a director of the Club, and is currently on the board of trustees for the Community Foundation. He likes Rotary because of its selflessness to do good in the world. When he can get a moment or two of free time from his active involvement raising his children, he plays “bocce” ball on a team that he organized with some friends and clients a couple of years ago, and he also plays golf. He has worked as an investment business since graduating from Pace University in NYC almost 20 years ago, and enjoys providing comprehensive wealth management services to his clients. Who am I?”
