

## Rotary Club of Walnut Creek

BART Maintenance Shop Field Trip at 1:00 on February 28, 2017. 1045 San Miguel Road, Concord CA. You may park in either parking lots or on the street

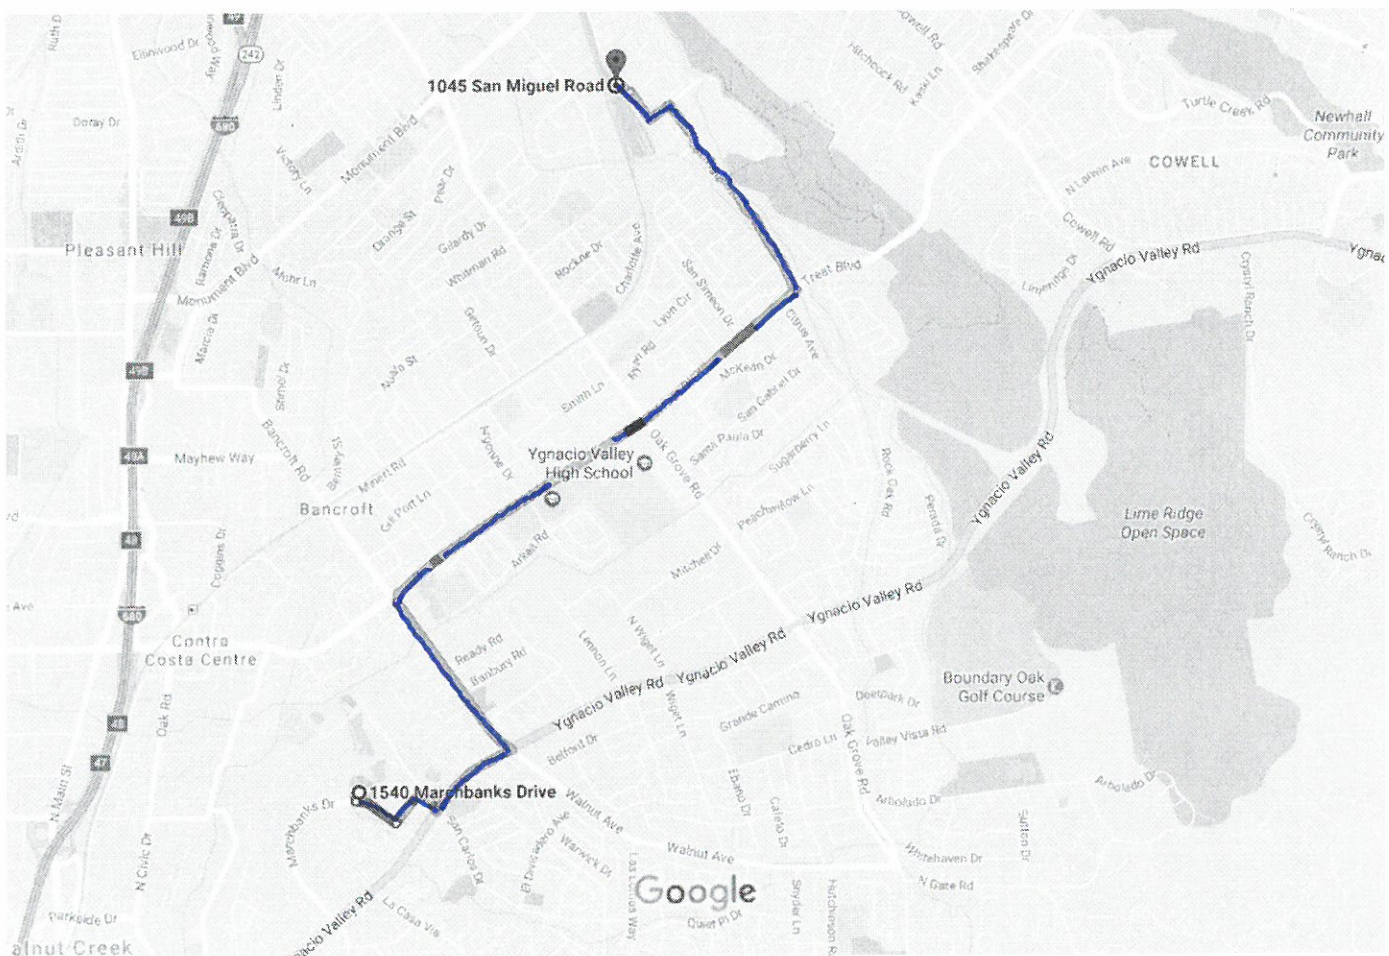

This is a rare opportunity to see how the BART trains are maintained at the Concord Shop. Karen Basting has arranged this tour for us with the Shop Manager Leonardo Pica.

Starting at 11:30 lunch will be served at the Heather Farms Garden Center. At 12:30 we will drive / carpool to the maintenance shop. Or if desired you can skip lunch and meet us at the Shop.

We will meet at the American Flag at 1:00 to start the tour. Open toe shoes or high heels are not allowed. If you have any questions please contact Rod Uffindell cell 925-324-7888
