ANNOUNCEMENTS

Recognitions:

Prez Barry levied \$5 recognitions on all members without Rotary pins. If you don't have your pin, pay your \$5 and purchase one from **Quentin Alexander**.

News from the Frozen North:

The North Pole may be melting, but **Prez Barry** claims to have his fingerprint analysts at work looking for clues as to the perpetrator(s) who froze the Club's meeting bell into a block of ice. Whoever thought s/he could "freeze" out our Prez instead met with a cold shoulder (or so says the Prez). Maybe molten lava next time????

Announcements:

Our September 12th meeting is at John Muir Medical Center, Ball Auditorium. Guest speakers Drs. John Roberts, Stephen Taylor, and Randall Oyer will discuss Cancer of the Prostate. Husbands and wives are both encouraged to attend this program.

CPR Classes: Training in CPR for adults will take place at John Muir Medical Center from 9-12 on the morning of September 12 (before our lunch meeting). Sock Hop, Saturday October 7th. See Ivan Kerr if you would like to help work on this "FUN-raiser" dinner/dance social event for the Club at Tice Valley Community Center.

Placemat Advertising. See Heinz Hoffman to sign up for a business card ad on our new lunch placemats. ½ year (\$45) and 3 mos (\$25) spaces are still available.

THINK MEMBERSHIP—It's the ♥ of Rotary.

Rich Mathews and Mark Hull lead this committee, supporting RI President Frank Devlyn's goal of expanding Rotary's membership and impact on the world, one community at a time. Our Club's goal is to recruit 30 new members who are committed to and enthusiastic about making our community a better place to live.

Use the "You're Invited" cards to invite prospective members to share a lunch with us. Recommend potential candidates for the corporate membership campaign and the committee can assist you in pitching Rotary to possible businesses.

Each Team has a membership goal of 5 new members. Teams and sponsoring Rotarians bringing guests, and then sponsoring new members, will earn special recognition credits. Sponsoring members, new members, and team captains of teams who have reached their goal will share in a special "really fun" event at a "really fun" venue, attended by

"really fun" people.

Get with your Team and start "Thinking membership."

August Birthdays: Congratulations to the following Rotarians celebrating birthdays in August: **Phil Eyring, Valerie Ridgers, Earl Wightman, John Zyla.**

Get Your Rotary Announcements in the Bulletin: Our regular publishing deadline is Sunday night. You can phone your bulletin announcements to **John McClintic** by 9:00pm on Sunday to be sure to be included. Call John at 930-7352 and leave your message on the answering machine, or fax to 925-945-8932, or email to johnm@rotarywc.org.

Check Out Our Website:
www.rotarywc.org

If you haven't done so, please check out our Club's very own website at www.rotarywc.org. Find information about upcoming meetings and events, Club projects, history, and members. Note also that you can email most club members through the website using their nickname and last name's first initial (e.g Hari Boukis is harib@rotarywc.org).

Notes from the Road: Don't miss one of the best parts of being a Rotarian; make up a missed meeting while traveling anywhere in the world. Rotarians in other Clubs will warmly welcome you, just as we welcome our visitors and guests each week in Walnut Creek.

When in the garden isle of Kauai, you can make up at the Rotary Club of Poipu Beach Sunrise at the Hyatt Regency Resort, 7:30am on Wednesday, at the Rotary Club of Lihue at the Kauai Lagoons Terrace at Noon on Friday, or at the Rotary Club of Kapaa at the Coconut Grove at noon on Wednesdays.

If you will be traveling outside of the area, see Sal Flavetta or Quentin Alexander and use the Club's international guidebook to locate some Rotary Clubs in the areas that you will be visiting.

Share the worldwide fellowship that makes Rotary so special. If you attended an interesting Club meeting or heard about another Club's special projects or activities, please let John McClintic know so that he can share your experiences with fellow Club members in the Walnut Leaf.
