ANNOUNCEMENTS

Last Week: Thanks to guest speaker, Meredith Prinse, of the new John Muir/Mt Diablo Clinic **Walnut Creek Women's Health Center**. This center, located in a newly renovated space in the Growers Square shopping/office center at 1656 California Street, across from the Regional Center for the Arts, is designed to provide education and support services focused on improving health care for women in all stages of life. The Center will have a Grand Opening on Saturday, October 7th. The Center will provide seminars, support groups, internet and other information resources, with the goal of providing a holistic approach to women's health issues. The Center is funded by private donations and by fees for its programs, and is seeking donations and contributions to help offset the costs of providing these valuable services not covered by or made available by the general medical care delivery systems.

Recognitions:

Thanks to **Earl Wightman**, and his tireless BBQ crew of **Dick Mortensen**, and **Heinz Hoffman**, who worked at the Special Olympics softball tournament last Saturday. They represented our Club, along with members of the Rotary Club of Walnut Creek Sunrise to assist and support the Special Olympians and their families and friends.

Stanford White was recognized for a flattering bio in a recent edition of the California Alumni Magazine.

Wolf Heinritz enjoyed his annual vacation at Echo Lake (he paddles in about 3 miles by canoe to his cabinsite).

Dennis Sheehan (Stead Motors), and **Russ Anderson** (automobile consulting), caught President Barry's attention (and heavy outstretched hand of recognition) for advertising.

Bulletin Editor, **John McClintic**, and Bulletin Publisher, **Hari Boukis**, were recognized and thanked by Prez Barry on behalf of the Club for their weekly efforts to get out the Club bulletin.

Thanks to **Jack Fischer and the August Team** for a good job with programs and our meetings.

Check your Name, Address, Phone, and Email Listings in the Roster: Take a look at the Club roster books and be sure to let **Hari Boukis** know of any changes to your name, address, phone, email, or other listed information. **This is particularly important for changes to email addresses**, since we can update our email "routing" information now without waiting for next' year's roster to be printed.

Paul Harris Recognition Credits: In conjunction with our Club's efforts to induct six new Paul Harris Fellows before the District Governor's visit in early October, we are appealing to members with "Paul Harris Recognition Credits" they do not plan to use themselves to donate them for matching funds purposes. If you would be interested in making such a donation, see **Sal Flavetta** to check your recognition credit status and

arrange for the transfer.

Rotary Pins are on Order. See Quentin Alexander to purchase replacement or spare Rotary lapel pins. A rush order is in the works. Don't get caught pinless by the Prez.
