ANNOUNCEMENTS

“\$100 from Every Rotarian, Every Year”— The Rotary International Paul Harris Sustaining Member Challenge

When we each meet our challenge to contribute \$100 every year we enable Rotary International to continue as the world's largest independently financed scholarship program, and a leading contributor in worldwide humanitarian relief projects. Polio Plus is nearing the almost impossible goal of eradicating polio from the face of the earth. After 20 years, over \$500 million in contributions, and untold thousands of hours of volunteer work, Rotary and the World Health Organization are attacking the last few cases of polio in Nigeria and a few surrounding African nations, with the goal of complete eradication by the end of this year.

Invite a Prospective Member to Lunch

Next week, March 29, our speaker will be Joe Starkey voice of the Cal Bears and San Francisco 49'ers. Joe is always entertaining and this will be an excellent opportunity to invite visitors and/or potential members.

Please pick up a few “Be My Guest” cards to invite business and personal contacts to attend a future Rotary Club meeting as a guest of the Club. Share Rotary with them, and help maintain our membership of active, dedicated Rotarians.

Lunch Fee Increase

It has been several years since our last lunch fee increase, but even several years of low inflation finally has taken its toll. Our cost of each lunch is increasing by \$2.00, therefore effective April 5 our Club lunch fee will be increased to \$14.00.

Rotary Peace Scholars Spring Seminar—April 10, UC Berkeley

The Rotary Peace Scholars Spring Seminar will be held April 10th at the University of California, Berkeley (location and times TBA). Our District 5160 includes one of the seven sites in the world where peace and conflict resolution is the focus of a university-level masters program with scholars financed by Rotary International. This will be a good opportunity to learn more about the program and the 15 scholars currently studying at Berkeley.

Fishing in the City, April 9th

Mark your calendars and see **John Gardner** to volunteer for this year's Fishing in the City day, Saturday, April 9th, at Heather Farms Park. This is a great way to enjoy the enthusiasm of young children as we introduce them to a day of fishing sponsored by the Fish & Game department and our Club.

Rotary Foundation Fun Day/Fundraiser April 30, 2005, 11am to 3pm at the Yin Ranch, Vacaville—Raffle Tickets Now on Sale
