Community Foundation Donation Options

Did you know that you have a choice about how your contributions to our Community

Foundation will be used? You can direct your donation to the General Account that funds current charitable activities or you can direct your contribution to the Endowment Account that funds long-term projects. Any funds deposited to the General Account, and any earnings on those funds, can all be used to fund charitable projects. Funds deposited to the Endowment Account cannot be drawn upon; instead, the original amount of the deposits remain in the Endowment Account and only the earnings generated from those deposits can be utilized to fund charitable projects. Remember, if you don't write "Endowment" on your check, your donation will automatically be deposited to the General Account.
