Going to dinner with Jennifer Jones?

Have you registered to attend the dinner with Rotary International President Elect Jennifer Jones? When she becomes president next year it will be a momentous moment for Rotary as she becomes our first woman President. If you are attending this event at the end of this month, consider yourself as an official Walnut Leaf reporter! We would love to hear your impressions of Jennifer and... don't forget a couple of pictures!

Center.

We have been invited

Trudy Triner...

by the Rotary Club of Lamorinda to join them on Saturday, February 26th for their "last Saturday of the month" Home Team volunteer day. We will shadow one of their teams to learn the ropes and observe how they work with both clients and with one another. If our club decides to form our own Home Team in the future, we will receive requests from Walnut Creek senior residents and spend one Saturday morning a month responding to those requests. So far, **Don** and **Rose** have volunteered to participate on February 26th and others are welcome! Please contact **Trudy Triner** if you have any questions or would like to join on the 26th.

Several of our past presidents, including **Bruce Johnson**, have wanted to make this happen and it would be great to make this the year it actually did! Perhaps we could do it in honor and memory of Past President, **Bruce**, who would have undoubtedly been the first to volunteer!

THE NEED:

For many seniors, common household repairs are no longer easy to do on their own. Family members may not be able to help, and the ability to pay someone for the repairs may not be possible either.

Rotary Home Team™ can assist with common maintenance issues such as:

- * replacing hard to reach lightbulbs
- * changing smoke alarm batteries
- * fixing a leaky faucet
- * repairing sticky doors
- * adjusting handles or cabinet drawer pulls
- * resetting tripped circuit breakers
- * and many other small repairs

Rotary

WHO WE ARE

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Rotary Home Team™ provides basic home maintenance to seniors at NO CHARGE. The goal of the program is to identify seniors in the community who need assistance and to coordinate volunteer Rotarians to visit and make any necessary repairs they may need. Rotary Home Team™ work days are scheduled by your local rotary club. Call or email us for more information.
