International Service Project

The Davis Sunrise Rotary Club, in partnership with the UCD Medical School, the Rotary Club and Medical School of Leon, Nicaragua, is developing a world community service project to support and expand an existing medical & dental clinic in Leon, Nicaragua.

Help is particularly needed with the following:

- Physicians that might be interested in exploring the opportunity of going to Leon, Nicaragua (for 1-4 weeks) to "mentor" our med students who are going there to work in the clinic on a 4 week rotation. The Department of Health physician currently seeing patients in the clinic has the sole responsibility for this.
- People with "building" skills as the infrastructure needs a bit of work
- Medical supplies (list provided upon request)
- Additional partnerships in this world community service project.

If you, your Rotary Club(s), professional colleagues, friends or family are interested in participating please contact Gretchen Peralta, President, Rotary Club of Davis Sunrise, via email gperalta@dcn.davis.ca.us or telephone (530) 304-9983.

New Member Orientation Meetings

John Gardner, our Cogmaster, reminds all of our new "Red Badge" members to attend a series of programs for new members on the third Tuesday of each month, starting today. The meetings will be at the Club's regular meeting place at Heather Farms from 12:00-12:30 p.m. (in the room behind the speakers podium) to minimize conflicts with everyone's schedules. Be sure to put a reminder on your calendars. As always please feel free to call John (or any Club member) any time you have questions or need assistance with Club matters.
