Distret Governor Mark Roberts invites us to the 2021 Virtual District Conference - ALL ABOARD! April 30 - May 2 2021 The featured speakers will include:

Toni Scott, the successful young leader of Morrison, a decades old business consulting firm, brings a fresh approach to “Bridging the Gap Between Generations”. Her unique perspective will provide us with a greater understanding of what generational gaps may look like from both sides of the row and how to move past them. Overcoming these gaps to secure a more stable and successful future for Rotary is crucial as we strive to build up leaders who will continue the legacy of service above self.

Deepa Willingham is a fellow Rotarian and recipient of the 2018 United Nations Association Peace Prize. The founder of PACE Universal, a non-profit committed to ending trafficking and uplifting communities through the education of girls and women living in extreme poverty.

Tyler Schultz made headlines as he brought down arguably the greatest fraud in American business history, and saved hundreds, if not thousands, of lives. The company behind the fraud? Theranos - and its founder Elizabeth Holmes, who created a device to analyze one tiny drop of blood and run hundreds of tests simultaneously, on the spot. Tyler, the grandson of former Secretary of State George Schultz (who was a Theranos investor) was hired to provide analysis of efficacy and uncovered glaring irregularities which lead to physical threats and ultimately a shattering investigation by the Wall Street Journal, books and documentaries.

Registration is still only \$40” or a “first-class ticket” that will fill your Rotary cup.

Watch your email for your personal registration link.

You can mail checks payable to RWCCF to PO Box 4191, Walnut Creek CA 94956.

The Rotary Foundation—Every Rotarian Every Year. Please make a minimum \$25 contribution to The Rotary Foundation so that we can reach 100% participation by our Club.
