Jennifer E. Jones of the Rotary Club of Windsor-Roseland, Ontario, Canada, nominated to serve as Rotary International President 2022-2023! Jennifer is founder and president of Media Street Productions Inc., an award-winning media company in Windsor. She became a Rotarian in 1997, and thereafter served as a Rotary Foundation trustee (current), an RI vice president, director, training leader, committee chair, moderator, and district governor. She played a lead role in Rotary's rebranding effort by serving as chair of the Strengthening Rotary's Advisory Group. She is the co-chair of the End Polio Now Countdown to History Campaign Committee, which aims to raise \$150 million for polio eradication efforts.

Our District 5160 Governor Mark Roberts says that "I have had the pleasure and privilege of meeting with and hearing from Jennifer several times over the past few years as I prepared to become District Governor. Like PDG Jon Dwyer, I thought to myself, "Here is the first woman RI President!" She is supremely well qualified and well spoken and will, I'm sure, provide superb and inspirational leadership to Rotary -- and she will embody our organization's renewed commitment to diversity, equity and inclusiveness. It has taken 115 years for RI to select its first woman president but I'm confident that Jennifer Jones will prove that she was worth the wait! Please join me in congratulating her

and wishing her well as she prepares to make history.”

What’s Your “Big Idea” to gain interest, awareness, and participation in our annual Community Foundation fundraising quest?

President Elect Peter Kohn is hard at work to develop a “Virtual Crabfeed” in late fall this year. What partnerships and community service can we get behind to have a really compelling fundraising message?

And/Or

What is Your Big Idea to attract new members? Our Rotary future depends on attracting members who are from diverse backgrounds who share a love of service.

Pres Cathy will be asking for you to speak up at our meetings to share Your Big Idea, or if you prefer, email cathydurfee@yahoo.com.

LN-4 Artificial Hand Delivery Projects: Bob Romero invites us to plan to join with him on LN-4 Artificial Hand deliveries in Spring 2021. Projects are pending for Mexico March 13 thru March 21, 2021 in 3 cities: Xalapa, Chilpancingo and Puebla, and for Peru and Ecuador on the same trip April 23 thru May 10, 2021, in 3 Peruvian cities, Pucallpa, Chimbote and Huancayo, and in Manta, Ecuador. Bob Romero will have more information for us later in the year.

Change in Walnut Creek Community Service Day for 2020. The City of Walnut Creek has decided to cancel the community service day projects and refocus on a City-Wide Food Drive. The need is great this year because the USPS will not be able to do its usual food drive. More information will be provided in the coming months.

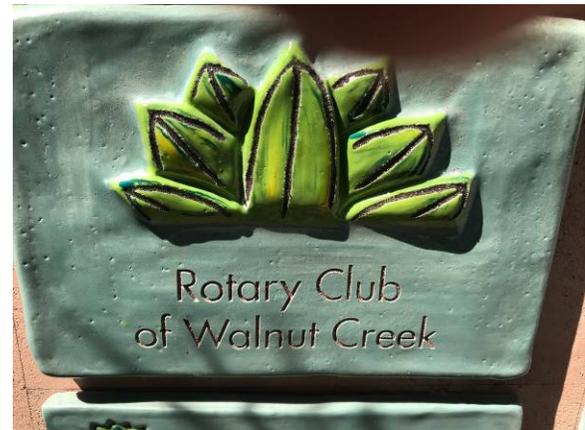

Borges Ranch Project: Our Club is looking into working with the City to restructure our planned service project to build and stain fences
