Rotary International Virtual Convention June 20-26. The following information is from 2020-2021 incoming District 5160 Governor Kathy Suvia. “The members of the DG Line and I hope that you are continuing to do well. We sincerely commend you for your ongoing efforts to assist your community. Here’s the most recent news and information regarding the June 20 – 26, 2020 Rotary Virtual Convention.

•**Now Is the Time to register by clicking [Here](#).** The schedule of events is posted for the June 20 and 21 General Sessions and the week of breakouts that follow. This is where you sign-up to attend. You can also sign up to receive timely e-mail updates regarding the convention by going to the website. Honestly, I just registered and it took me about 2 minutes.

•**Post-Convention Events:** The June 20 – 26 Virtual Convention will be followed by a number of exciting events, including the Rotaract Convention and the Youth Exchange conference. In addition, breakout sessions will be held that are organized by various Rotary programs (RAGS, Fellowships, etc.) More information about all these events will be announced shortly.

Frequently Asked Questions:

•Will there be a Registration Fee for the Virtual Convention? There is no fee to attend the General Sessions or the Breakouts, but online registration is required so that you can receive a link to login at the appropriate time.

•The Session Times are all listed for Chicago (CDT/UTC-5). How do I know when my sessions will actually begin? PDT is two hours earlier than CDT so subtract two hours from any Chicago time listed. **HINT: The General Sessions on Saturday June 20 and Sunday June 21 will be at 6:00am.**

• I don’t want to get up that early. Will the sessions be recorded? Yes. Remember this is an international event and the Convention Committee has attempted to make live participation possible for members around the world – than means we will be up at the crack of dawn! EVERYTHING that is a part of the official convention program will be recorded and stored on the RI website.
