The advertisement for World Polio Day features a young girl with short dark hair, wearing a blue and red patterned dress, pointing to her right index finger. The background is a solid orange color. The text reads: "WORLD POLIO DAY IS 24 OCTOBER" in large purple and white letters. Below that, it says "endpolio.org | #endpolio". At the bottom left, there are logos for Rotary and "END POLIO NOW".

**See Page 2 for details.**

## **Nairobi Robinson (Nai) has applied for membership.**

**Nai** is a husband and father of 6 kids, all of whom still live at home. He and his wife ran a large day-care for the past 6 yrs. However, that business has been downsized so that **Nai** could make a career change to real estate. He received his real estate license in November 2020, and got his first sale 90 days later! He is now actively building that business.

He enjoys helping others with what probably is the most expensive purchase they'll ever make. In addition to running my real estate business and raising 6 kids with his wife Valerie, he is also an active member of Grace Bible Church in Hayward. He came to Rotary because "I want to join rotary is to be even more involved in the community."

## **October is Membership Month!**

Bring a friend to a meeting and take home some great swag! Our District is designated the week of October 18th as Every Rotarian Bring a Guest week with a photo contest and prizes. You know our club. We're leaders. So we're doing one better than our district. For anyone who brings a guest to any of our October meetings, you will get some really awe-

some Rotary swag. Bring someone to each meeting in October!

## **Countdown to History**

With your help, we can end Polio Rotary's 2020 International Polio Day will be an online event. This will include a Global Update on October 24, 2021. It will be hailing this past year's historic achievement in polio eradication. Polio eradication is a collective effort belonging to all of us. Challenges of this past year with the Covid Pandemic, issues with areas of the world in conflict and how we are moving into the future with the fight against polio.

Join Rotary with the online celebration of our quest to make polio a thing of the past. Mark your calendar for Saturday, October 24<sup>th</sup>. Log into your Rotary International Facebook Page for info.

### Volunteer sign-ups:

The information below is essentially the same as the last update (9-13-21). The important thing is to move forward with team sign-ups. As an individual Rotarian, if you have a preference for a specific time and location, please contact that Crew Leader to discuss your desire to be part of that team.

The event chairs (Diane Crowley and Cindy Silva) promised that we will be able to sign up for helper positions before the general public. However, late last week the city opened up the public sign-ups. I spoke to Diane Crowley. She told me not to worry about it. We will get the helper positions that we want, but we still need to do our sign-ups as soon as possible.

Please organize your teams as soon as possible and use the following link for signup:

### Walnut Creek Community Service Day

This is a bit confusing as it is possible for you to go to signup your team or even yourself as an individual and not be able to do so because all the slots seem to be filled. If that happens, please send me the information on your team and I will submit directly to Diane Crowley. She says that there are more volunteers needed than show on the above link. There appear to be various reasons for that including needing to split the volunteers between two entrances and just being quite busy. It is not clear why it is setup this way.

### Contact for information and sign up

We will attempt to keep you up to date on any changes as they happen. For further information, contact **Bruce Johnson** [brucej620@outlook.com](mailto:brucej620@outlook.com) or 925-457-8727.

I will be out of town from September 16 through September 28. I will check email regularly, but, if necessary, **Jesse Smyers** will be available as backup. Thanks, **Jesse!**

Let's see all those "Rotarian at Work" shirts!!
